10) The abstract figures of the Budget & the Municipality for the years 46-47 and 47-48 are as follows - Nagamangala Municipality

	46-47	47-48
Opening Balance —	Rs 4 488	Rs 4 228
Receipts —	Rs 10 464	Rs 4 406
Total —	Rs 14 952	Rs 8 634
Expenditure —	Rs 10 724	Rs 4 696

11) It is seen from the above figures that the receipts of the Municipality is less than its expenditure the Municipal Council has no encumbrances also and its financial condition is unsatisfactory

12) At the end of September, the uncollected arrears of tax are Rs 6379/, and it has been observed previously on 22-5-46 while deferring the work that the municipality should collect all the outstandings and put up all the spare cash they realises for meeting.

Drainage work at Nagamangala

The cost of this work is asked to enable the execution of the work taken up this year. The accounts are seen to be maintained and no subsequent action appears to have been taken to collect these amounts as enclosed. The Municipal Council at the meeting held on 30/10/45 has resolved again to ask Govt to meet the [illegible] cost of the work from Govt grants

13) The estimate for the work amounts to Rs 9,405/-

14) Sub for orders

Sub 3/12/45 Rs 4,405/-

15) What is the amount available out of the Govt grants now for [illegible] ? for 4/12/45

16) Out of a grant of Rs five lakhs, a sum of Rs 1,38,149 has already been allotted and the balance available is Rs 3,61,851/-
- Reference para 15 supra

Sub 6/12

17) An estimate for the second stage of the drainage scheme at Nagamangala was prepared for Rs 12230 - was sanctioned by the Chief Engineer for Roads & Buildings for Rs 9,405/-

on 6/7 Dec 1945

18) As regards the mode of financing

the same, the whole register
that the entire cost cannot
by the first Medic suggested this
proposal. But it was suggested to
the MCA that, as the prices of the stores
are still high and are expected to go
down, they might want for some time
and that in the meanwhile, the MCA
might collect the contributions &
put up all the share cash.

19) Medic Mandya Distt has again
urged sanction of the scheme, the entire
cost being met by the Govt as the
MCA is not in a position today
to contribute any portion of the cost.
We shall be sending the Budget
figures of this Distt for 46-47 & 47-48
for the expenditure during both the
years & more than the income
that it has no investments or
cash balances to fall back upon
upto end of September 1947, it had

to collect funds to the extent
of Rs 6379/10/5- It should be able
to collect a major portion of this amount
& pay at least one-fourth of the estimated
cost of the scheme which amounts to
Rs 9405/4 or Rs 2352/ The Govt may
contribute the balance equal to three fourths
The Mkt should cultivate a spirit of
self-reliance & not depend upon the Govt
entirely, as the Govt will not be in a
position to do so, having regard to the
demands from other local bodies

A

2) Points for notes:—

1) Sanctioning the estimate for Rs 9405/
for the IV stage of the drainage scheme

2) Meeting the entire expenditure out
of the State funds
or
only three fourths as suggested at
A above, the balance being met
by the Mkt

2-2)d Think in Circumstances Norsey Fair
the Mkt Committee ought to be able to meet 11/12/47
at the least 1/4 of the cost viz Rs 2352/
out of its funds as suggested at A

2638/mds

23) If this is approved the Scheme for Rs 9405/- may be sanctioned; and 3/4 ths of this cost may be met by Govt & the remaining 1/4 by the Mul. Council

25) Therefore unless the Ml cl can collect and deposit in the Treasury at least the 1/4 portion as noted by the Rev Secy, neither the estimate need be sanctioned nor the 3/4 paid The Ml cl may be told that as soon as they have deposited their share of 1/4 of the estimate, it will be sanctioned and the govt share of 3/4 will also be paid

Re The drainage work at Nagamangala

With reference to your letter No L 14307/W R dated 22-5-1946 on the above subject, I have the honour to state that the Municipal Council, Nagamangala have at their meeting held on 31-7-1947 resolved that the Government may be requested to meet the entire cost of the Scheme viz , Rs 9405/- as the finances of the Municipalit do not admit of any expenditure on this account The President has reported that the cash balance on hand is hardly sufficient to meet the outstanding water- maintenance charges and that systamatic coercive steps are being taken for the recovery of the outstanding arrears by issue of notices and Distraint warrants As the need for execution of the II stage of the drainage scheme is keenly felt and the President requests sanction to a Government grant equal to the entire cost of the Scheme

As the work is of an important nature in the interest of health of the Town, I request you to kindly obtain sanction of Government to meet the entire amount as Government grant as resolved by the Municipal Council

I may add in this connection that the prices of materials may not go down for same time to come as suggested in your above letter Even assuming that the prices get reduced, the Municipal Council are not in a position to contribute any portion of the cost.

A copy of the resolution dated 31-7-47 together with the connected records is herein enclosed
